

Leelanau Summer Academy 2010

June 27–July 24

Located on the shores of Lake Michigan, the Leelanau Summer Academy is the ideal summer program for intelligent students entering grades 9–12 *who simply learn differently.*

Our experienced faculty members teach classes and lead adventures that help students find out how they know and how they build on their strengths—for fun, for school, forever.

Students take two courses each day, six days per week, for four weeks. Each course meets for 2½ hours per day. After four weeks, one semester credit is earned for each successful course completed.

Afternoon activities include beach time, kayaking, art exploration, concerts, sporting events and more.

Once a week, an **Academy Exploratory Day Trip** is taken. Typical day trips include boating along the Sleeping Bear Dunes National Lakeshore, followed by a traverse to South Manitou Island. Or a visit to Black Star Farms, which is a local vineyard, cheese factory and farm market. And even a day spent sailing on Grand Traverse Bay from Traverse City to Power Island, conducting science experiments along the way...

Beyond textbooks. Through Experience. Toward college.

With a whole new sense of what's possible.

At the Leelanau Summer Academy, ***how you know*** is the whole point. Earn one semester credit for each successfully completed course:

Algebra I, Algebra II and Geometry
Field Biology
English 9, 10 and 11
US History
Native American History
American Government
Fine Arts
